

EUROPEAN COMMISSION
DIRECTORATE GENERAL FOR INTERPRETATION
RESOURCES AND SUPPORT DIRECTORATE
Management of Technical Infrastructure

Brussels, 1 March 2017
SCIC.S.4/ML)

**Note to the attention of Mr Hans J. Van den Berg
Audipack B.V.**

We hereby confirm that the Audipack mobile interpreting booths type Silent 9300 – ISO 4043-2016, according to the data provided by the manufacturer and confirmed by *Peutz bv*, fulfil the requirements of ISO 4043:2016 regarding mobile booths for simultaneous interpreting.

These booths are therefore accepted for use by the interpreters of Directorate General for Interpretation of the European Commission (DG SCIC).

Marguerite Lely
Head of Technical Compliance
Management of Technical Infrastructure
